

## *Intelligence for your body*

Makana (Gift in Hawaiian) is ideally suited for office and home workspaces for seating at work.

Posture design using Yoga principles to support your body while seated upright. The back with lumbar support and mesh or upholstered options provides spinal support during the long days at work. Mechanism choices to work with your body for ideal seating position relieve pressure on your lower back, spine, neck and head. The waterfall molded seat provides support while taking the pressure off your thighs.

Gift yourself a healthy and comfortable chair at work.

Makana is available in various mesh, fabric and leather (with matching PVC) upholstery options for back and seat. Choose from our wide selection of vendors or pick your own (COM) and we can upholster it for you (some limitations apply)
