

# Opi

## *Intelligence for your body*

'Opi (Fold in Hawaiian) is ideally suited for flexible workspaces at the office or work@home. The Folding top mechanism lets you put away the table(s) to reuse the space for other activities. The mechanism is designed no prevent pinching the fingers when you open the table.

The nesting and fold options on the 'Opi table complements with the task and nesting chairs to give you the options you need for multi-purpose activities.

Opi Round

Opi Rectangle

Opi Oval
