About Us

At Aura Seating, we're redefining what it means to sit comfortably and sustainably. From our home in Torrance, California, we design and manufacture **yoga-inspired furniture** that goes beyond aesthetics—it's about aligning with your body's natural movement. We collaborate closely with chiropractors and kinesiologists to craft pieces that support your posture, **empowering** you to feel **balanced** and at ease.

We believe furniture should **adapt to you**, not the other way around, which is why we offer **customizable** options tailored to your unique needs. And we're committed to creating **sustainably**, because caring for the planet is woven into everything we do.
